In ~~forwarding~~ submitting herewith a copy of letter No.H.264/28 dated -- 1st October 1928 together with its enclosure from the Deputy Commissioner Mysore District submitting an estimate for Rs.3000/- for -- installing electric lights to the Sri Ranganathaswamy temple at --, Seringapatam, I have the honor to state that the Deputy Commissioner proposes that the cost may be met by the sale of the temple investments to the extent of Rs.3300/- in Government of India pro notes of 1865-79 in favour of the Sri Pete Narayanaswamy temple at the same place at par, as the Sri Ranganathaswami temple has no cash at its -- credit.

According to the accounts maintained in this office the institution had a debit balance of Rs.2600/- and odd and an invested sum of Rs.4200/- in 1865 and 1879 loans. When the institution is working -- with a debit balance & it is more desirable to take steps to wipe off the same, than spending such a large amount on electric installation.

1. Sri Ranganathaswamy temple 2. Sri Lakshminarasimhaswamy temple 3. Sri Pete Narayanaswamy temple.	) these three institutions) are reported to have the

same set of Dharmadarsis and the same Agama form of worship and as such can be easily clubbed together.

As estimates for installing electric lights in the other two institutions have not been received, the Deputy Commissioner has been requested to obtain and submit the same early.

The vernacular file received with the Deputy Commissioners letter is also enclosed.

Letter No.H.264/28 dated 17th December 1928 from the Deputy Commissioner ~~Ranga~~ Mysore District to the Muzrai Commissioner in Mysore.

Subject:- Installation of Electric lights-Seringapatam Temples.

With reference to your letter No.601 of 28-9 dated 7/8th December 1928 regarding the installing of electric lights to the Sri Ranganathaswamy temple, the cost being met from the funds of the Sri Petenarayana swamy temple both the institutions being clubbed together for the purpose, I have the honor to state that the same body of Dharmadarsis ----- supervises the affairs of the Sri Ranganathaswamy, Sri Lakshminarasimha swamy, and the Sri Pete Narayanaswamy temples at Seringapatam, and that the same kind of Agama prevails in all the three institutions. The -- temple of Sri Ranganathaswamy is most important both from point of ----- history and its sanctity as a place of pilgrimage. The income of the - temple is hardly sufficient to meet the scale of expenditure, and the - institution has practically no funds to keep it under proper repairs -- although great care and economy are observed in the administration of -- its funds. The other institutions, namely Sri Lakshminarasimhaswamy --- which are less important can reserve funds annually as their expenditure.

is very much less in comparison to their income, and these institutions may conveniently spare some of their funds towards the urgent need of the Sri Ranganathaswamy temple.

2. The Dharmadarsis of these institution have at their meeting held on 10th December 1938 resolved stating that all the three institutions may be amalgamated under one scale of income and expenditure as it is -- necessary and as the administration of these institutions becomes easier.

3. I request that early sanction of Government may kindly be obtained to the proposal of the Dharmadarsis which is necessary.

4. The estimate for Rs.3000/- and other connected papers are resubmitted for favour of early sanction.
